ILIA VATAFOV

WEB DEVELOPER

ABOUT ME

Highly motivated Web Developer with a passion for detail. Completed software training at Software University with outstanding results and proficiency in ReactJS, Express, Mongoose, JavaScript, HTML, and CSS. One year of experience in an Agile E2E team, familiar with Agile methodologies, Jira, and UAT testing. Experienced in training, coaching, customer engagement, and relationship management. Seeking a Web Developer role to utilize my skills and experience to drive innovation and further my professional growth.
